

# WE ARE KEEPING YOU SAFE

## PHOTOGRAPHS VIDEOS & DVD'S

During the activities at each class/workshop, the Principal, tutors and or approved representatives of the school may, for prosperity, marketing, advertising and record keeping purposes have occasion to store digital photographs taken during classes and/or stage performances.

These photographs are to be used only in the publication of printed marketing materials and promotional items pertaining to the activities of the school.

The copyright of all photographs shall be retained by DPA. If a student purchases a Photo Shoot CD of any kind and loads photographs onto any Social Networking Sites then the Photograph title must read:

Credit @dpadreams

Or Credit [www.dpadreams.co.uk](http://www.dpadreams.co.uk)

Where such photographs are used in the publication of the DPA Websites, or social networking pages the photographs will be safeguarded against fraudulent use, copying or download, by encrypted protection.

Parents are asked for consent to these activities on the Registration Form they sign when joining. If they DO NOT agree to the use of photographs of their children being used as described above, this needs to be highlighted in both written and verbal form.

Every representative of the school must subscribe to this policy at all times.

For more information on child protection and the safety of your child please see our DPA Child Protection Policy and visit
